

*Problematic projects.*

*Problematic projects?*

*Skyscrapers that shadow city landmarks, passenger nodes or transferiums, out-of-town shopping and leisure centres, city tourism, sports facilities, chains of hydroelectric plants, wind farms, revitalisation of deserted historical settlements, dispersed settlement, Natura 2000, golf courses, non-contextual architecture, golf courses, the highway system etc. Problematic projects? Who's asking ...*

*Ivan Stanič*
